Christmas Eve

CANDLELIGHT SERVICE

Christmas Eve Worship Plan **Thursday, December 24, 2020**

4:00 & 6:00PM

Our goal is to have safe in-person worship on Christmas Eve. In order for this to happen, we will be holding two worship services, one at 4:00PM and another at 6:00PM. Masks will be required to attend. We will be limiting the number in attendance at each worship service to 75 people.

To attend, please call or stop by the church office before December 23rd to let us know the number of people that will be attending with you. If your attendance numbers change or you will not be attending, please let us know ASAP so that we can open those seats up to others.

If you choose to worship with us virtually, we will be streaming on FB live for the 4:00PM worship service only. If you are attending virtually and are in the area, please plan to stop by the church or send someone by to pick up a worship bag.

This is our current plan for worship but please note that it can change at any time. If numbers head up and/or there is an outbreak locally, we may have to go to virtual only.

To make reservations:
